

The Laurence School, Lovedale

HOLIDAY ASSIGNMENT – JUNE 2025

CLASS V

English

Notebook:

A. Visit a blind school/a deaf and dumb school/an orphanage/an old age home with your parents. Write a Paragraph describing your experiences in about 100- 120 words (12 sentences). Give a suitable title. Stick few photos of the visit.

B. Explore your hometown's cookery tradition.

Learn and write about one traditional recipe from your hometown that is typically prepared for a festival or a special occasion. Also, research and include the origin of the dish.

Instructions:

1. Write down the name of the dish.
2. List all the ingredients used.
3. Describe the step-by-step recipe – the process of preparing the dish.
4. Include a picture of the dish (you can stick or paste it on your project).

C. Supplementary Reader: 'Tales from Tagore'

Read the stories "The Child's Return" and "Subha". Choose 10 (5 each) new words from the stories. Write down the ten words and its meaning (refer the dictionary) in the notebook.

Ms. Anita Prabhu

micps@thelawrenceschool.org

Mathematics

Q1. Put commas in appropriate place and write the number name in Indian System:
580010035

Q2. Put commas in appropriate place and write the number name in International System: 200010335

Q3. Find out the population of your state and write its number name in Indian number system.

Q4. Find the population of the capital city of your state and write its number name in International number system.

Q5. A Palindrome number is the one that is the same when read from right to left or from left to right (Example: 152251, 7183817). Create an 8-digit palindrome number. You may use only three different digits.

Q6. Write the number name of the number you have made in Q5 in Indian number system.

Q7. Make a list of the birth years of your family members, write their birth years in Roman numerals.

Q8. Write the Hindu-Arabic numeral for MMDCCCLXXXVIII.

Q9. Write the Roman numeral for 3,999.

Q10. What is the place value of 1 in the number 5717687923?

Q11. Arrange the following numbers in Ascending order:

55600213, 55060213, 55006213, 55660213, 55666213

Q12. Arrange the following numbers in descending order:

4578, 4875, 7485, 4758, 5478

Q13. Try to find out how many kilometres is the distance between Ooty and Delhi. Write the distance in Roman Numerals.

Q14. Write any ten-digit phone number. Now round off the phone number to nearest 10, nearest 100, nearest 1000, nearest 10,000, and nearest 100,000.

Q15. Your vacations started from 6th June 2025 and last day of your vacation is 2nd August 2025. Exactly how many days vacations did you get?

Q16. Check your car's odometer and note down the kilometres driven by your car. Subtract these kilometres from 200,000.

Q17. Write the last four digits of your car's number. (i) Using these four digits make the smallest and the largest four-digit numbers. (ii) Add these smallest and the

largest four-digit numbers you have made. (iii) Subtract the smallest four-digit number you have made from the largest four-digit number you made.

Q18. Add all the birth years of your family members which you collected in Q7.

Q19. Add: $44567845 + 7844592 + 1002456$

Q20. Subtract: $85234912 - 5271633$

Q21. Solve: $78995 - 55200 + 34106$

Q22. Solve: $524166 - 387415 - 95662$

MAGIC SQUARE

A Magic Square is special arrangement of numbers inside a square grid. In a Magic Square, every row, column, and diagonal all add up to make the same total.

Example: In the given magic square, any digits from 0 to 9 can be used to make totals of 15.

The total is 15.

	7	6
9	5	
4		8

	2	7	6	15
→	9	5	1	15
→	4	3	8	15
15	15	15	15	15

Solve these magic squares for given total using any digits from 0 to 9 only once.

Q23.

The total is 12.

	8	1
2		6
7	0	

Q24.

The total is 15.

8	1	
	5	7
4		2

Q25.

The total is 12.

3		
8		0
	6	5

SCIENCE

Human Digestive system

a. Digestive Journey (Creative Writing)

Write a short story (150–200 words) from the perspective of a sandwich traveling through the digestive system.

Example opening line: "I was a yummy sandwich until someone took a bite..."

Make sure to describe what happens in each organ!

b. Fun Facts Poster

Create a mini-poster (half chart paper) titled **“Amazing Facts about Digestion!”**

Include at least 5 fun or surprising facts. Decorate your poster with drawings or cut-outs from magazines or online platform.

(OR)

Make a model or Diagram Labeling (Science & Art)- Draw and label a neat diagram of the human digestive system on a chart. Include the following organs:

- Mouth
- Esophagus
- Stomach
- Small intestine
- Large intestine
- Liver
- Pancreas
- Rectum

SOCIAL SCIENCE

General Instructions:

- 1- Prepare a neat and handwritten project on any one of the topics given below.
- 2- The students can use their own discretion to do the assignment either on chart paper or scrap book papers.
- 3- The assignment has to be well decorated and presented properly.

Assignment (any one)

- a- Write any 10 facts about snakes with pictures.
- b- There are four Indian poisonous snakes. Write a short paragraph (50-100 words) about each one of them.
- c- Write a paragraph (50-100 words) on any five adventurous sports along with pictures. You can write about your personal experience with pictures if you have done any of the sports yourself.

TAMIL

1. உனக்கு பிடித்த பாரதியார் கவிதைகள் இரண்டினை எழுதவும்.

LIFE SKILLS

Choose **any one** of the following activities as your Holiday Assignment for Life Skills:

1. Family Values Collage

Objective: Explore shared values and traditions

Instructions:

- Talk to your parents, grandparents, or siblings about values that matter most to your family (e.g., honesty, respect, empathy, kindness, discipline, etc).
- Collect pictures that represent these values and create a collage or digital poster.
- Add a short note explaining why each value is important in your home.
- Add your name and class to the bottom of the page.
- Take a clear picture of your completed assignment.
- Upload it using the Google Form link below:

 [Upload Your Assignment Here](#)

2. Life Skill Short Film

Objective: Creative expression, collaboration

Instructions:

- As a family, script and act out a short skit (2–4 minutes) showing a life skill like:
 - Demonstrating empathy
 - Handling stress
 - Saying “NO” to negative peer pressure
- Once your video is ready, upload it using the Google Form link below:

 [Submit Your Video Here](#)

3. Eisenhower Matrix

Objective: Time management, prioritization

Instructions:

As a family

- List down activities that need your family’s immediate attention. List them in the important/urgent section.
- List down activities that are important but not urgent.
- List down activities that you as a family need to reduce.
- List down activities that you as a family need to eliminate.
- Refer to the template shared.
- Make the matrix on a A3 size paper or chart.
- Add your name and class to the bottom of the page.
- Take a clear picture of your completed assignment
- Upload it using the Google Form link below:

 [Upload Your Assignment Here](#)

	Urgent	Not Urgent
Important	Do it	Plan
Not Important	Reduce	Eliminate

4. Circle of Control

Objective: Communication and reflection

Instructions:

- Record a short video (2–4 minutes).
- In the video, explain the concept of the ***Circle of Control*** to a **parent, grandparent, or sibling**.
- Use your own examples to show the difference between what you can and cannot control.
- Try to include your family member's response or thoughts at the end.

Once your video is ready, upload it using the Google Form link below:
