French Holiday Homework – Class 5, Dec-Jan 2025-26

For the holiday homework, the class will be divided into 5 groups. Each group will create a set of handmade French flashcards on a specific theme. These flashcards must be designed creatively, using drawings/colours, and must include English meanings for every French word. No AI tools (such as ChatGPT) should be used – everything must be done by hand.

Group-wise Flashcard Tasks

- Group 1: Professions – Include both masculine and feminine forms using indefinite articles. (un/une). Add drawings, be as creative as you'd like!
- Group 2: Numbers (0–50) – Write the number in French and English (at the bottom). Add number-based visual designs - the 1 can be a squiggly line or anything you want it to be!
- Group 3: Colours – Use coloured flashcards and include English meanings and examples wherever possible. Try to draw animals or a rainbow or anything you want for each colour!
- Group 4: Days of the Week – Add drawings representing each day (e.g., school, weekend). Include English meanings.
- Group 5: Months of the Year – Add seasonal drawings. Include English meanings. Extra points for adding seasons as well!

Instructions

1. **All flashcards must be hand-drawn and handwritten.**
2. **Each flashcard must include: the French word, its English meaning, and a relevant drawing.**
3. **Use colours and creativity – this is an art-integrated activity.**
4. **Submit your flashcards neatly arranged in an envelope with your group name.**
